Trouble-free journeys
To make every trip run as smoothly as possible, here are some useful reminders.

Handy pre-trip checklist:

- Vaccinations – Check as early as possible that your vaccinations are up to date, and if you need anti-malaria medication
- Passport – Make sure your passport is valid for at least 90 days (6 months) if you’re visiting the USA. Also, take a photocopy of your passport and keep it in a separate, safe place
- Visas – Make sure you have the right visa for each country you’re visiting
- Current Medical Conditions – Check with your doctor five days or fewer before you travel and please do not travel against medical advice
- Pregnancy – Ensure that you are able to comply with all airline regulations. Also, check with your doctor five days or fewer before you travel and please do not travel against medical advice
- Pre-travel advice – Visit the website provided by us to get up to date information regarding your destination

Don’t forget to take your card with you when travelling.
